Buyer	buyerbiz2@gmail.com	123456

🎯 Quick Test Recommendations

For Testing Different User Types:

- **Admin**: `admin@agrilink.com` / `admin123456`
- **Farmer**: `farmerindi1@gmail.com` / `123456`
- **Trader**: `traderbiz1@gmail.com` / `123456`
- **Buyer**: `buyerindi1@gmail.com` / `123456`

Account Type Differences:

- **Individual accounts** (`indi`): Personal farmers/traders/buyers
- **Business accounts** (`biz`): Company accounts with business features
- **All accounts are pre-verified** and ready to use
- **Individual & Business accounts use password**: `123456`
- **Admin account uses password**: `admin123456`

📱 How to Use:

1. Go to login page: `http://localhost:3004/login`
2. Use any of the credentials above
3. Admin users are redirected to `/admin`
4. Regular users are redirected to `/dashboard`

🔧 Notes:

- Demo accounts skip email verification automatically
- All accounts are pre-verified in the database
- Admin account has full system access
- Business accounts have additional business features
- Individual accounts are for personal use scenarios
- **Total: 13 demo accounts** (1 admin + 12 user accounts)
